### How to Write an Acrostic Poem:

To write an acrostic poem about summer, start by writing 'summer' vertically on the side of your page. Next, think about summer: What's the weather like? What happens in the environment? What changes can you see around you?

Think of words beginning with s, u, m, m, e, r and fill them in.

Read these examples to help you write your own acrostic poem. You could then have great fun decorating your poem.

Here are some examples:

<b>S</b> unny days	<b>S</b> mearing on suncream
<b>U</b> mbrella shade	<b>U</b> nder the umbrella
<b>M</b> onth of July	<b>M</b> elting ice pops
<b>M</b> aking sandcastles	<b>M</b> assive waves
<b>E</b> njoying the sunshine	<b>E</b> veryone happy
<b>R</b> unning with Friends	<b>R</b> eady to play all day
