Work for Second Class : June 22nd – 26th June 2020

This week we have our Virtual School Tours.

Each day we will visit somewhere new.

Have fun!

We've included a range of links to different activities so please explore as you wish. If you are really enjoying one of the tours why not explore it over two days.

<p>Monday</p>	<p>Let's visit San Diego Zoo!</p> <p>https://zoo.sandiegozoo.org/</p> <p>Check out some of the animals on the live cam https://zoo.sandiegozoo.org/live-cams</p> <p>Pick 3 animals that you want to learn about. https://zoo.sandiegozoo.org/animals-plants</p> <p>Record: Draw a picture of some of your favourite animals.</p> <p>Write 3 facts about the animals.</p> <p>Watch the story 'Giraffe's can't Dance' https://www.youtube.com/watch?reload=9&v=vZjsLK5vwNU</p> <p>Read the story as Gaeilge https://www.leighanois.com/display3.php?articleid=55</p>
<p>Tuesday</p>	<p>Let's visit Michael D. Higgins' home, Áras an Uachtaráin!</p> <p>https://president.ie/en/childrens-section</p> <p>Explore each section –</p> <p>Who is the President?</p> <p>What does the president do?</p> <p>Where does the President live?</p> <p>Take the quiz on each section.</p> <p>Take a virtual tour of the President's home.</p> <p>https://president.ie/en/explore-visit/interactive-tour</p> <p>Listen to the story 'The President's Glasses'</p>

	https://www.youtube.com/watch?v=FURVf88oa6s	
Wednesday	<p>Let's visit Mars! Explore the surface of the planet and how we're learning about the planet. https://accessmars.withgoogle.com/</p> <p>Learn about Mars https://mars.nasa.gov/participate/funzone/</p> <p>Have a look at this video to learn about gravity on Mars and the length of a day on Mars. https://www.youtube.com/watch?v=WrmO1ohW3lw</p>	
Thursday	<p>Let's visit the Natural History Museum in London to learn about dinosaurs! There's lots to look at here. Some specific links are included for guidance. https://www.nhm.ac.uk/discover/dinosaurs.html</p> <p>What type of dinosaur are you? https://www.nhm.ac.uk/discover/what-dinosaur-are-you.html</p> <p>Why are birds the only surviving dinosaurs? https://www.nhm.ac.uk/discover/why-are-birds-the-only-surviving-dinosaurs.html</p> <p>How do I draw a dinosaur? https://www.nhm.ac.uk/discover/how-to-draw-a-dinosaur.html</p> <p>Read about different types of dinosaurs. Did the T-rex live in Ireland? How did the Velociraptor kill its prey? https://www.sciencekids.co.nz/sciencefacts/dinosaurs/types.html</p> <p>Build your own dinosaur. Draw what you have created. Give it a fun dinosaur name. http://teacher.scholastic.com/activities/dinosaurs/buildadino/index.htm</p>	
Friday	<p>Let's explore the aquarium! Interactive visit to Baltimore aquarium. https://aqua.org/media/virtualtours/baltimore/index.html</p> <p>Let's move to the New England Aquarium and check out the octopus. https://www.youtube.com/watch?v=lcMmfMAUils&list=PLb0l37SaBAGWvECrYnBfliN776Dm5d582&index=11&t=0s</p> <p>Check out the live cams at Monterey Bay Aquarium. https://www.montereybayaquarium.org/animals/live-cams</p> <p>Learn how to draw sharks, make otter puppets and lots of other activities. https://www.montereybayaquarium.org/for-educators/curriculum-and-resources/games-and-activities</p>
