Art: The children are to try to recreate their own impression of the peach in the story 'James and the Giant Peach'. They have just listened to the first couple of chapters today. We will leave some ideas below of a collage of different paper on a paper plate (or piece of cardboard). We are aware you may not have access to orange/red/yellow paper, so if the children would like to colour, paint, or use Playdoh to recreate the peach we would love to see just how imaginative they can be!!
